Fall Friend Raiser Carnival:

Marc will fill you in on the financial details but we did fairly well, considering that this was not a fundraiser. Enormous thank yous to the people who made it happen, particularly the PTA officers, Maura Deming who organized the haunted classroom, and Sheerita Wilson who arranged for the bouncy house. We haven't had time for a FULL post-mortem (which will include margaritas if anyone wants to join in), but we will definitely need more volunteers or have fewer activities next year. The volunteers we had were often forced to work for the entire four hours and couldn't enjoy the carnival with their kids, so let's not let that happen next year!

Trunk or Treat:

Thanks again to Sheerita for this idea and for helping to arrange. It was smallish, with 6 or seven cars, but we had a LOT of candy thanks to generous donations! We all ran out by the end of the evening and the kids had a BLAST both trick or treating and enjoying

the playground at night. Maybe next year we can expand by having some neat haunted playground activities!

Equal Exchange Fundraiser:

You hopefully got your catalog...if not, grab one from the front. We're trying something new with this selection of fairly traded coffee, tea, chocolate and gifts...please give us feedback on whether or not your family and friends were interested in purchasing these items.

Cafeteria Mural:

We're thinking of hiring an artist for something really spectacular. We will approach our ICS teachers and community first, of course! Come see us or email us if you have any ideas.

Electric Pencil Sharpeners:

Marc is purchasing three to give to the principals to distribute as they see fit. Thanks everyone.
